Mogadore, OH 44260

*All donations are tax deductible.  
Sponsors will receive a receipt with our 501c3 number.*

Dear Friends,

My name is Chelsea Susong, and I am the founder of the nonprofit organization, Luke's Warriors. I started this organization in honor of my son, Luke who suffered a life-threatening traumatic brain injury after a car accident in December of 2019. In the year since the accident, Luke has gone through 3 brain surgeries and extensive, specialized rehabilitation. Because of the amazing care Luke received from his medical and therapy teams, he survived and has been able to make a remarkable recovery!

Throughout our journey, my family and I have crossed paths with many others who have suffered from this life-changing injury. TBI is a leading cause of death and disability among children and young adults in the United States. We have seen first-hand how many TBI survivors need life-long rehabilitation, assistive equipment, and emotional support services. Our mission is to increase Traumatic Brain Injury awareness and rehabilitation opportunities in our community.

We are thrilled to announce that our first Family Fun Run and 5K will take place on June 5, 2021 at Goodyear Heights Metro Park! All proceeds from this event will benefit the **Akron Children's Hospital Rehabilitation Department**. Their wonderful team of therapists have played a vital role in Luke's recovery for the last nine months. Their dedicated staff helps thousands of children a year who suffer major traumas, including TBI's. They do amazing work, and we cannot think of a more worthy beneficiary for this event!

We would love to have you and your business be a part of our first Family Fun Run and 5K! We are offering several different sponsorship levels for you to choose from, if interested. If you would like more information about our race, please visit [www.lukeswarriorsinc.com](http://www.lukeswarriorsinc.com).

We truly appreciate your time and consideration!

Sincerely,

Chelsea Susong and The Luke's Warriors Team
